

STANFORD UNIVERSITY PARKING AND CIRCULATION MAP 2002-2003

Revised on April 1, 2003

Palo Alto Medical Foundation

Much of Stanford is under construction this year! The parking designations on this map, along with all our conditions and regulations, are subject to change at any time. So be sure to check the signs in the lot before you park.

Many lots are signed only at the entrance. In "shared" lots - e.g., those posted "EA" or "C" - you may park with either permit designated.

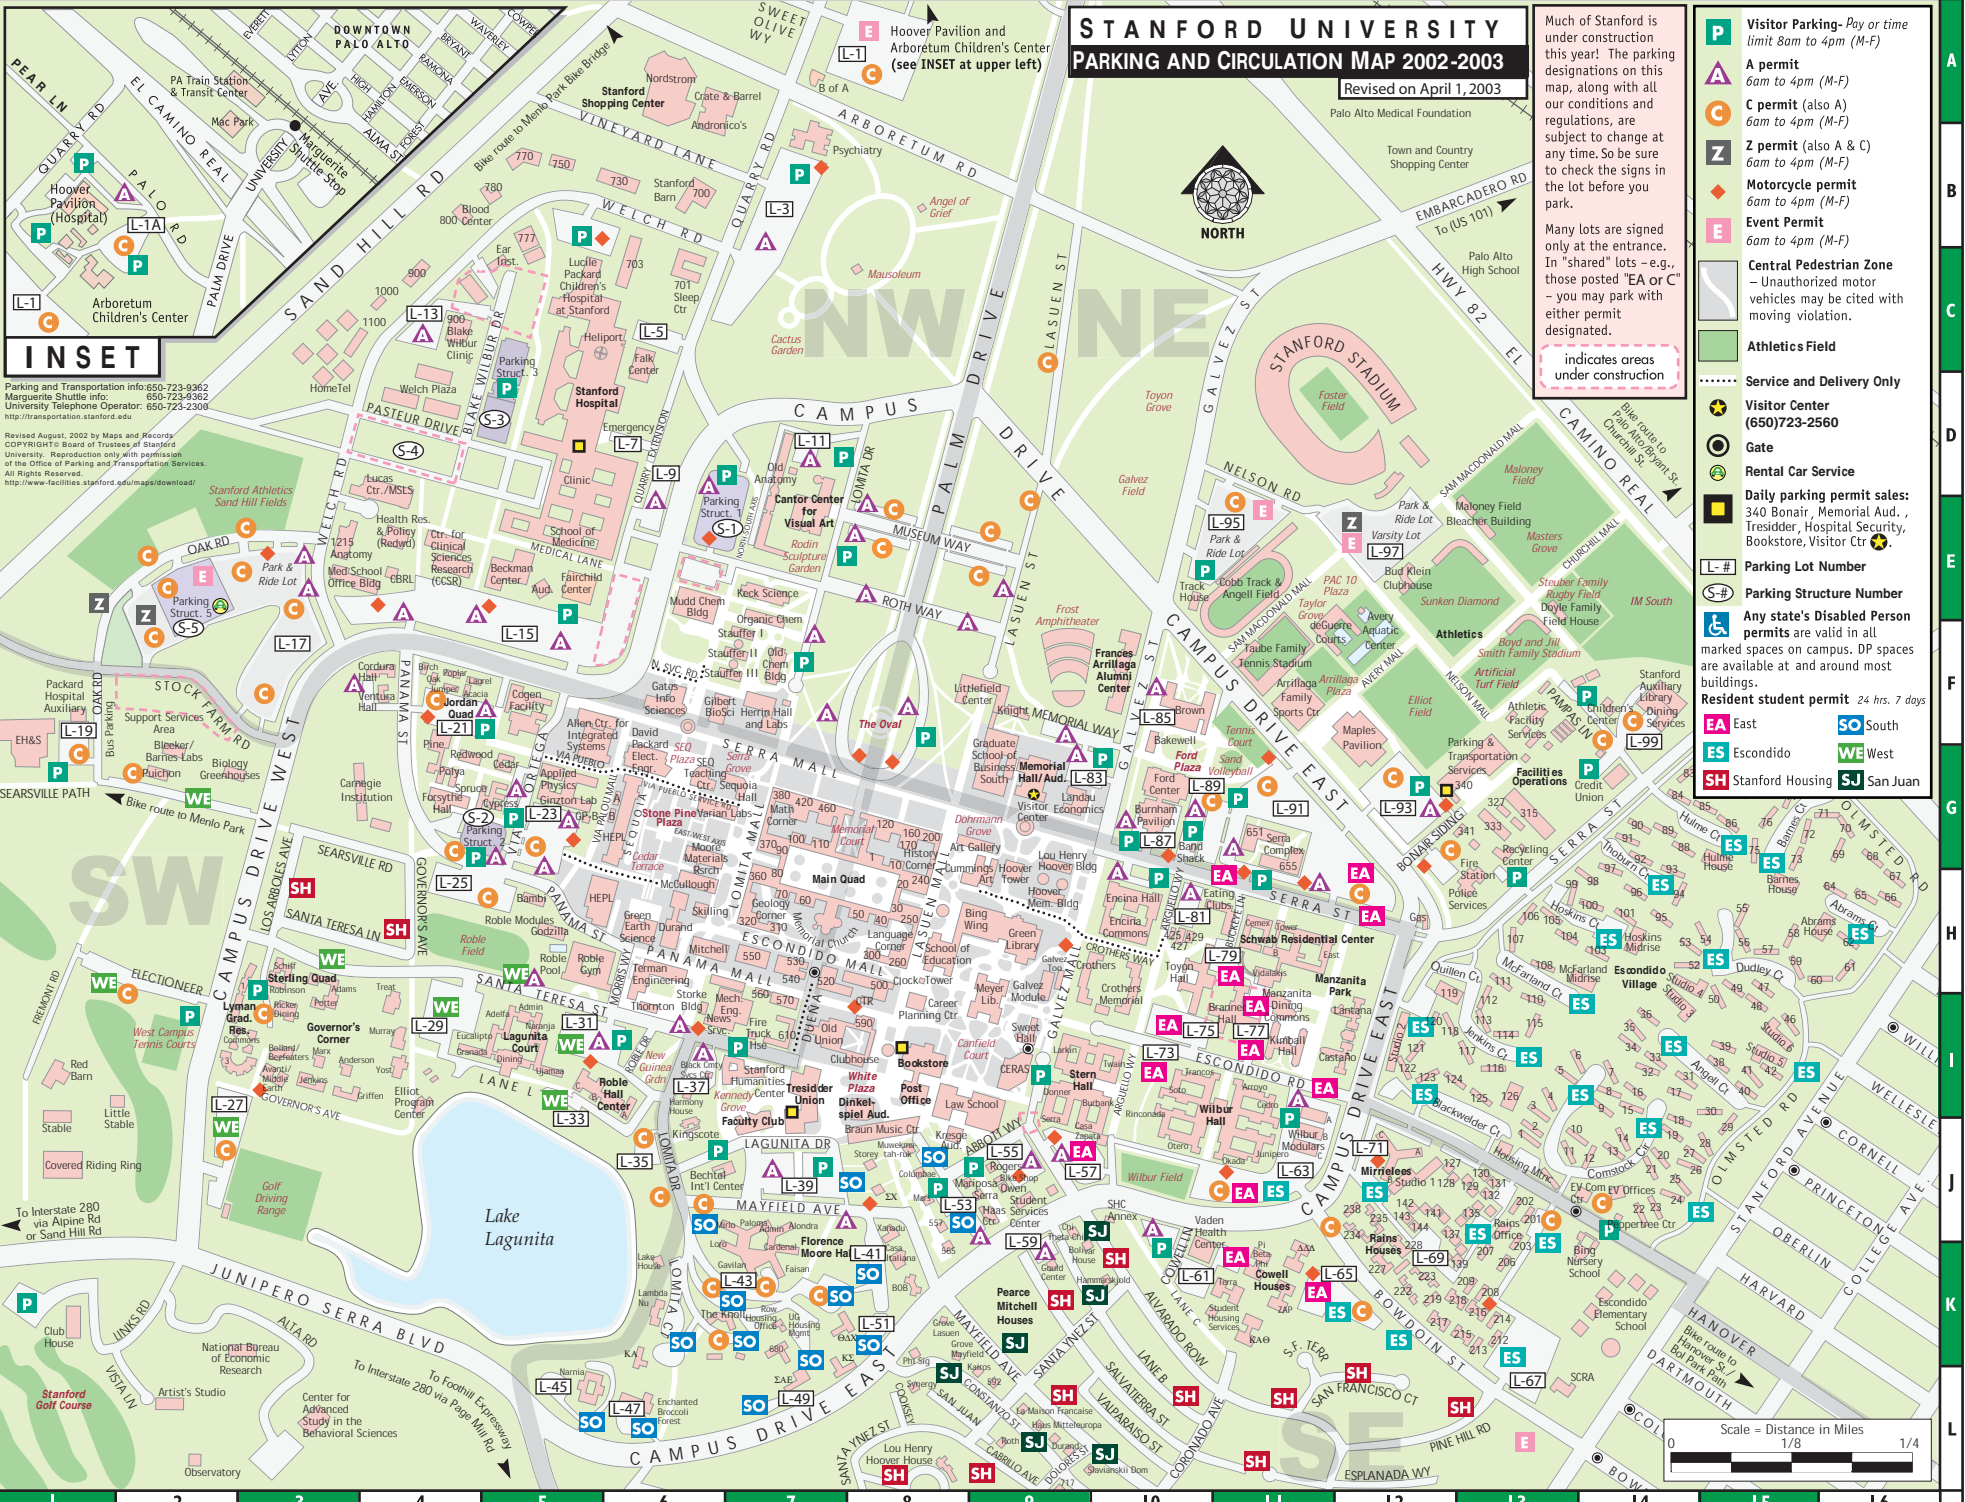

indicates areas under construction
